 METROWEST PHASE 1
 NOTICE OF DEPOSIT - REVISED STATEMENT OF COMMUNITY CONSULTATION

North Somerset District Council (the Council) has placed on deposit for inspection (free of charge) at the locations listed below a revised Statement of Community Consultation (Revised SoCC). This is for the proposed reopening of the Portishead railway line for passenger services and associated works (part of Phase 1 of the MetroWest proposals) (the Project). The Revised SoCC explains how the Council will consult on the Project with the local community, residents, businesses and organisations in the area, provides updates on the changes to the Project since June 2015, summarises the first round of statutory consultation under Section 47 of the Planning Act 2008 and provides details of the second round of statutory consultation from Monday 23 October to Monday 4 December 2017.

As the Project is a Nationally Significant Infrastructure Project, the Council will apply to the Planning Inspectorate for a Development Consent Order under the requirements of the Planning Act 2008.

The Council is required to consult with local communities before the application is submitted to the Planning Inspectorate. The Council is also required to produce a Consultation Report detailing how the public's views have been taken into consideration and how the consultation requirements of the Planning Act 2008 have been complied with.

Metrowest Phase 1 is an Environmental Impact Assessment (EIA) development and so the Council will prepare an Environmental Statement to accompany the application to the Planning Inspectorate. Preliminary Environmental Information will be made available for inspection at the locations listed below, as well as at www.travelwest.info/metrowest.
